

Tarahumara: Dances of the Raramuri Natives of the Sierra Madre in Northern Mexico

Calpulli Mexican Dance Company researches the powerful, ritualistic dances of the Raramuri natives through a series of free workshops open to the public throughout early 2008. The workshops will explore the history of a disappearing culture through the dances that are valued dearly by its members. With this knowledge, the company will develop a new choreographic work. You are cordially invited to be part of a unique dialogue and witness our first steps in the creation of this repertoire.

Tarahumara: Danzas de los nativos Rarámuri de la Sierra Madre Occidental en el norte de México

La Compañía Calpulli Danza Mexicana investiga las poderosas danzas y rituales de los nativos Rarámuri mediante una serie de talleres sin costo, abiertos al público durante el comienzo del año 2008. Con este conocimiento, la compañía desarrollará su nuevo trabajo coreográfico. Estás cordialmente invitado a ser parte de este diálogo único y ser testigo de los primeros pasos de la creación de este gran repertorio.
